

Prayer calendar

PRAY
IN MAY

Monday	Tuesday	Wednesday	Thursday	Friday
				1 Today, we pray for families.
4 This week, we pray for an end to world hunger.	5 Share Linda's story from our 'Stories from communities' resource.	6 Pray for millions of children who aren't in school today because there is nothing there for them to eat.	7 10p = 1 Mary's Meal. If everyone in your class brought one 10p coin, how many hungry children could have a meal that day? Give thanks to God for the food you will eat today.	8 Pray for people to use their gifts or opportunities to find solutions to hunger and poverty. "They all ate and were satisfied." Mt 14:20
11 This week, we pray for peace.	12 Pray for communities living through violence and chaos in Haiti .	13 Share Mohamad's story from our 'Stories from communities' resource.	14 "Blessed are the peacemakers, for they will be called children of God." Mt 5:9 Think of a situation where peace is needed and pray for this.	15 Pray for a lasting peace for the people of South Sudan .
18 This week, we pray for generosity.	19 Watch Ethan's story of generosity . How does this inspire you? Pray that God will help you to be generous.	20 Pray for volunteers who give their time to help feed hungry children.	21 Mary's Meals feeds three million children . Give thanks to God for all of the generosity that made this possible.	22 Pray that more people will give generously to help Mary's Meals reach four million children.
25 This week, we pray for hope.	26 Pray for children eating Mary's Meals today, that they would be filled with hope for the future.	27 Mary's Meals was inspired by Edward's hopes for the future . Pray that all children can realise their hopes and dreams.	28 Pray for God's hope to be a comfort to families in Haiti suffering due to conflict and poverty.	29 Thank you for all your prayers this month. Reflect on how you can support Mary's Meals to bring more hope to the world.

Please note, if there are school holidays during May, you can adapt the calendar to suit you.
