Thank you so much for your interest in joining the Mary's Meals family. As you consider applying for the Regional Development Officer (RDO) role with Mary's Meals UK, I hope you find this pack helpful, encouraging, and exciting.

In joining Mary's Meals UK, you would become part of a global movement of people who will simply not accept that any child should go hungry in this world of plenty. We are passionately driven by our simple belief that every child in the world deserves an education – and enough to eat.

From small beginnings feeding just 200 Malawian children in 2002, we are now reaching 3 million children across 16 programme countries (including Malawi, Liberia, Zambia, Haiti, South Sudan, and Syria) with a nutritious daily meal in school.

This meal not only meets the immediate needs of the hungry child, but it attracts children to the classroom, where they can gain an all-important education. And we firmly believe that the children who are receiving Mary's Meals today can grow up – better nourished and better educated – to become the men and women who will lift their communities out of poverty and end their reliance on aid.

The UK, where we received the first-ever donations for our work, remains the country in which Mary's Meals raises the majority of its funds. And Mary's Meals UK, the organisation I am privileged to lead is responsible for continuing to tell our story across Scotland, England, Northern Ireland and Wales; engaging and inspiring more and more UK volunteers and donors; and driving forward the unrelenting growth of the Mary's Meals movement on these shores.

With more than 71 million children out of school around the world and a further 73 million attending school so hungry, they're unable to concentrate and learn, our work is only just beginning.

As the Regional Development Officer for Glasgow, you will be a warm, visible ambassador for Mary's Meals – igniting enthusiasm, inspiring action, and helping people across your region join our mission and help feed more children. By building genuine, values-driven relationships and using insight to guide your priorities, you'll nurture local networks, identify high-potential opportunities, and confidently grow income, participation, and supporter engagement. Through strategic, outward-facing work, you'll turn first conversations into committed, long-term support that strengthens our movement and fuels our mission.

Will you play a crucial part in shaping the future of Mary's Meals UK and, with it, the lives of so many people who both contribute to and benefit from this incredible work of love, joy, and hope?

I look forward to hearing *your* story.

- A group of approximately 15-20 children and one woman are gathered in a rural, outdoor setting. The children are of various ages, mostly young, and are smiling and looking towards the camera. They are wearing colorful clothing, including t-shirts, shorts, and a jacket. The woman, on the left, is wearing a light-colored t-shirt with a tiger logo and the word 'CLEVELAND'. The background shows simple, rustic buildings with thatched roofs and a dirt ground. The overall atmosphere is warm and positive.

Mary's Meals is a global movement that sets up school feeding projects in some of the world's poorest communities, where poverty and hunger prevent children from gaining an education.

Our idea is a simple one that works. We provide one daily meal in a place of learning in order to attract chronically poor children into the classroom, where they receive an education that can, in the future, be their ladder out of poverty.

The Mary's Meals campaign was born in 2002 when Magnus MacFarlane-Barrow, from Dalmally in Argyll, visited Malawi during a famine and met a mother dying from AIDS. When Magnus asked her eldest son Edward what his dreams were in life, he replied simply: "I want to have enough food to eat and to go to school one day."

That moment was a key part of the inspiration which led to the founding of Mary's Meals, which began by feeding just 200 children in Malawi in 2002. Today, 20 years later, we feed 3 million hungry children every school day across four continents.

Where Mary's Meals is provided, there is a rise in school enrolment, attainment and attendance. Wherever possible, Mary's Meals uses locally grown food to support the local economy and help smallholder farmers.

We work extremely hard to keep our running costs low which means that it costs just £19.15 to feed a child with Mary's Meals for a whole school year. This is only possible because most of our work is done by an army of dedicated volunteers all over the world, who carry out lots of little acts of love on behalf of Mary's Meals.

Having been inspired, in part, by our founder's Catholic faith, this work is named in honour of Mary, the mother of Jesus, who brought up her own child in poverty. We consist of, respect and reach out to people of all faiths and none.

Counting on support from around the globe, Mary's Meals has registered national affiliate organisations, which raise awareness of our work around the world. Funds raised by affiliates, including from Mary's Meals UK, are passed to Mary's Meals International, the organisation which co-ordinates our movement and directly manages the delivery of our school feeding programmes.

Mary's Meals UK (or 'MMUK'), a charity registered in Scotland, is the oldest entity in the Mary's Meals family – the original organisation established as Scottish International Relief in the early 1990s, when our founder and global CEO, Magnus MacFarlane-Barrow, first became involved in international aid during the Bosnian Conflict.

Back then, Magnus was a simple salmon farmer who, along with his family, decided to do something to help those who were suffering because of the war.

They relied heavily on the generosity of local people in their village of Dalmally in Argyll, who relentlessly donated food, blankets and other items of aid, which were then stored in the family shed, before being driven out by Magnus to Bosnia-Herzegovina.

Though our largest office is now in Glasgow, that same shed – which continues to be filled, metaphorically at least, with the generosity of our supporters – still serves as the headquarters of Mary's Meals UK to this day.
